Dear Rachelle,

Thank you for following up, and I hope you enjoyed your time away from the office. Yes, I did receive the presentation on the Monday after I wrote that email.

I hope you have a nice Thanksgiving.

Best regards,

Hello Scott,

While I was out last week, Montrose sent a copy of the presentation to counsel for LRTC. If the

PDF has not made its way to you yet, I can certainly forward it.

Dear Rachelle,

Thank you very much for facilitating the meeting last week regarding Montrose's proposed wet weather sampling at the United Heckathorn Site. It was most helpful to discuss the issue.

In follow up, I write now to request a copy of Montrose's presentation from that meeting. Montrose indicated that they could provide us with a copy, and I assume they have already provide or will provide a copy to you. I would appreciate if you could forward it on to me, if possible.

Thank you,

Scott Bourne, PE
